FAFSA APPLICATION

If you plan to attend the FAFSA Application Support session in the library computer lab to work on your FAFSA application, please bring the following materials for both the student and parents.

1. Social Security Card
2. Driver's License
3. W2 forms and tax returns from the previous tax year. You may use estimated income amounts and update the information when it becomes available.
4. Bank statements

Please stop by the library computer lab with any questions, even if you do not have the materials listed above. We will have college FAFSA experts available to answer any questions!

The FAFSA application is
only available at www.fafsa.ed.gov.
